LECTURER CONTENTS - AI BOT

No	Full Name	Position	Contact Email	Background
1	Ms. Nur Anissya binti Setia Budi	Computing Lecturer	NurAnissya@gef2u.onmicrosoft.com	Ms. Nur Anissya binti Setia Budi holds a Bachelor's Degree in Computer Science (Artificial Intelligence) with Honours (B.Sc) from Universiti Teknikal Malaysia Melaka (UTeM), where she developed a strong foundation in advanced computing concepts, machine learning algorithms, neural networks, and intelligent systems. Her professional journey began in the industry as an IT Support Specialist and Programmer, where she gained hands-on experience in troubleshooting complex technical issues, developing software solutions, and maintaining information systems for organisations. This real-world exposure deepened her passion for the field of Information Systems and Computer Science, particularly in how technology can solve practical problems and drive innovation. At YES International College, Ms. Nur Anissya brings her expertise and enthusiasm into the classroom, delivering engaging lectures and practical sessions for the Pearson BTEC Higher National Diploma in Computing. She is deeply committed to student success, guiding learners through challenging modules such as Programming, Networking, Security, and Software Development Lifecycles. Her teaching approach combines theoretical knowledge with industry-relevant projects, ensuring students not only understand concepts but can apply them confidently in professional settings. Her dedication to fostering critical thinking and technical skills makes her an invaluable member of the Computing faculty at YES.
2	Mrs Nur Syahiera binti Othman	Computing Lecturer	syahiera@gef2u.onmicrosoft.com	Mrs. Nur Syahiera binti Othman is an accomplished computer science professional with a strong academic and research-oriented background, supported by diverse industry and teaching experience. She completed a one-year Foundation in Science and Technology (Defence) at Universiti Pertahanan Nasional Malaysia (UPNM) before progressing to a Bachelor's degree in Artificial Intelligence (Honours), where she was awarded the prestigious Vice-Chancellor's Gold Medal for exceptional academic achievement. She later earned a Master of Science in Computer Science through full research mode at the same institution. Her scholarly contributions include peer-reviewed publications in machine vision, deep learning, and intelligent systems, demonstrating her strengths in analytical thinking, applied research, and advanced problem-solving, particularly in image processing and AI-driven system development. She is technically proficient in MATLAB, Matrox Imaging Library, and a range of professional productivity and visualization tools. In her professional career, Mrs. Nur Syahiera brings a well-rounded blend of technical expertise, academic instruction, and operational experience. She currently serves as a Lecturer t YES International College and has previously held roles in software development, IT marketing, operations, and education, enabling her to perform effectively across multidisciplinary and dynamic environments. She is esteemed for her organized approach to work, good interpersonal engagement, and clear communication. Motivated by a dedication to lifelong learning, meaningful impact, and continuous improvement, she continuously uses knowledge and technology to solve practical problems and offer value at the institutional and corporate levels.
3	Ms. Nur Aulia Hafiza Binti Nor Yazmi	Culinary Lecturer	NURAULIA@gef2u.onmicrosoft.com	Ms. Nur Aulia Hafiza binti Nor Yazmi holds a Master in Foodservice Management from Universiti Teknologi MARA (UiTM) Puncak Alam, graduating with Master Excellent Award, in addition to a Bachelor's Degree in Foodservice Management and a Diploma in Culinary Arts from UiTM, where she earned multiple accolades, including the Vice Chancellor Award, Student Figure Award and Best Graduate Award. She is currently a Culinary and Foodservice Lecturer at Central Metropolitan College, teaching both theoretical and practical subjects such as Pastry and Confectionery, International Cuisine, Garde Manger, Foodservice Operations, and Food & Beverage Management, with a strong emphasis on food safety, discipline, and industry-relevant practices. ensuring learners acquire both technical competence and professional discipline aligned with industry expectations. Prior to academia, she gained extensive industry experience as a Manager at Pizza Hut restaurant, Supervisor at Tealive, and Barista at Zuspresso, and further strengthened her professional exposure through industrial training at The Andaman, Langkawi, and an international internship at Hilton Ras Al-Khaimah, Dubai, where she worked across pastry, Italian restaurant, and banquet operations, equipping her with a strong blend of academic knowledge, practical expertise, and global industry insight.
4	Mrs Hazirah Binti Mohd Azmi	Business Lecturer	hazirah@gef2u.onmicrosoft.com	Mrs Hazirah Binti Mohd Azmi is an experienced business lecturer with a strong academic foundation in mathematics. She holds a Master of Mathematical Sciences and a Bachelor's degree in Computational Mathematics from Universiti Malaysia Terengganu. She also completed her matriculation studies in Pahang for 1 Year Programme. With approximately 10 years of teaching experience, she has been actively involved in delivering lectures for mathematics, business, and general studies courses at diploma and undergraduate levels. Her areas of expertise include quantitative analysis, business mathematics, statistics, and analytical problem-solving. She is passionate about student-centred learning and is skilled in designing assessments, learning materials, and outcome-based education (OBE) aligned with curriculum standards. Ms Hazirah is also experienced in using e-learning platforms and digital tools to enhance teaching and learning effectiveness.
5	Arisya Salsabila Binti Hasnan	Business Lecturer	arisya@gef2u.onmicrosoft.com	Ms. Arisya Salsabila is a postgraduate academic currently pursuing a Master of Science (MSc) in Marketing at the International Islamic University Malaysia (IIUM). She holds a dual-award Bachelor's degree in Business Administration and Human Resource Management studies. She has teaching experience as a Tutor, delivering Business and Economics lessons using student-centred and outcome-based approaches. Her teaching emphasises conceptual understanding, critical thinking, and practical application. Ms. Arisya also brings industry exposure from her professional experience in consulting and examination administration, enabling her to integrate real-world business perspectives into her teaching. Her academic interests include marketing, organizational behaviour, and employee motivation, and she is committed to supporting student development and academic excellence.
7	Mr. Muhammad Syazwan Bin Ahmad Haruradzi	English/MPU Lecturer	syazwan@gef2u.onmicrosoft.com	Mr. Muhammad Syazwan Bin Ahmad Haruradzi holds a Bachelor in Education Teaching English as a Second Language with Honours (B.Ed. TESL) from Management and Science University (MSU), where he developed a strong foundation in language pedagogy, linguistics, and effective instructional strategies. His academic training has equipped him with deep insights into English language acquisition and the best practices for teaching English to diverse learners. In Yes International College, Mr. Muhammad Syazwan brings his expertise and enthusiasm into the classroom, delivering engaging and student-centred lessons in both English and MPU subjects. He is deeply committed to student success, guiding learners through language skills development with a supportive and motivating approach. His teaching philosophy emphasises practical application, critical thinking, and clear communication, ensuring that students not only grasp key concepts but also apply them confidently in real-world contexts. Mr. Syazwan's dedication to fostering academic growth and holistic development.
8	Mrs. Fatin Farina Binti Zulkilfi	Graphic Design Lecturer	fatin.farina@gef2u.onmicrosoft.com	Mrs. Fatin Farina holds a Bachelor (Hons) in Graphic Design from Universiti Teknologi MARA (UiTM) and brings four years of industry experience to her teaching. Her approach emphasizes practical skills, creative thinking, and industry-relevant learning, enabling students to connect design theory with real-world practice. She has actively contributed to both creative and academic initiatives, including the Malaysia Book of Records (MBOR) 1KM Doodle project and the BOLD UiTM Graphic Design Final Year Showcase. She has organized student design showcases, coordinated an Art & Design Workshop and led an educational visit. Her teaching philosophy emphasizes hands-on learning, student engagement, and fostering creativity to bridge academic knowledge with real-world design practice.

9	Ms Nur Atikah Yusri	Lecturer / Counsellor	atikah@gef2u.onmicrosoft.com	Ms Atikah is a Licensed Counsellor registered with the Lembaga Kaunselor Malaysia (LKM), with an interdisciplinary background in guidance and counselling, English language studies, and educational research. She holds a Master of Education in Guidance and Counselling from Universiti Putra Malaysia and a Bachelor of English Language and Literature from the International Islamic University Malaysia. Her professional training is supported by hands-on counselling experience in higher education and rehabilitation settings, where she has provided individual, group, and career counselling using evidence-based approaches, with a strong emphasis on ethical practice, confidentiality, crisis intervention, and holistic psychological wellbeing. Currently serving as a Lecturer and Counsellor at YES International College, she integrates licensed counselling practice with teaching and student support services. Her responsibilities include delivering counselling interventions, conducting mental health and wellbeing workshops, teaching English and MPU-related subjects, supervising student projects, and developing course materials aligned with programme outcomes and accreditation standards. In addition, she has experience in educational research, bilingualism studies, and academic publishing support, alongside prior professional experience as a technology writer, reflecting her ability to bridge counselling practice, teaching, and research within higher education contexts.
10	Muhammad Akbar Shah bin Pahrudidn	Head of Program/ Student Traineeship Coordinator	akbarshahp@gef2u.onmicrosoft.com	Mr. Muhammad Akbar Shah Bin Pahruddin holds a Bachelor's Degree in Tourism, Hospitality and Marketing (Double Major) from Curtin University, Australia and a Diploma of Tourism from Central Institute of Technology (TAFE), Perth. His academic background has equipped him with a strong foundation in hospitality management, marketing, business communication, and tourism operations, combining theoretical knowledge with practical industry insight. With over 10 years of professional experience in front office operations across reputable hotels and hospitality organisations, Mr. Akbar Shah has developed extensive expertise in guest services, customer relations, front office management, and service excellence. Currently serving as Head of Programme at Central Metropolitan College previously knowns as Erican College and Placement Officer at YES Internatinal College, he plays a key role in aligning academic programmes with MQA certification requirements while managing student placements under the Youth Spectrum Training Programme. His professional and academic approach emphasises operational excellence, industry relevance, and employability, reflecting his strong commitment to programme quality and holistic student development
11	Sri Neessha Vigneswaran	English/MPU Lecturer	neesha@gef2u.onmicrosoft.com	Ms. Neessha holds a Bachelor in Education Teaching English as a Second Language with Honours (B.Ed. TESL) from Management and Science University (MSU) and has also completed a TESOL/TEFL course at World TESOL Academy, UK. Her academic background has provided her with a strong foundation in language teaching methodologies, linguistics, and effective strategies for facilitating English language learning among diverse learners. At Yes International College, Ms. Neessha brings her passion and expertise into the classroom, delivering interactive and learner-focused lessons in both English and MPU subjects. She is committed to helping students achieve their full potential, supporting their development in language skills through practical exercises, critical thinking activities, and real-world application. Her teaching philosophy focuses on creating an engaging, supportive, and motivating learning environment, ensuring that students gain confidence and competence in using English effectively. Ms. Neessha is dedicated to promoting both academic success and holistic growth in her students.
12	Chan Khuai Man	Graphic Design Lecturer	khuaiman@gef2u.onmicrosoft.com	Chan Khuai Man is a passionate and highly driven graphic design educator with a strong foundation in visual communication, digital marketing, and multimedia production. A First-Class Bachelor of Graphic Design (Hons) graduate from Management and Science University (MSU), he has consistently demonstrated academic excellence—earning the Dean's List and President's List awards throughout his studies. He currently serves as a Lecturer at Yes International College, teaching Diploma in Graphic Design as well as BTEC HND Art & Design (Interior Design & Graphic Design). In this role, Khuai Man develops curriculum, delivers industry-informed lessons, and mentors students in creative projects, helping them strengthen both technical skills and visual storytelling abilities. He has participated in multiple industrial visits, creative workshops, and professional development programmes, strengthening his knowledge in design, photography, AI imaging, and career readiness. With strong proficiency in Adobe Photoshop, Illustrator, InDesign, photography, and digital marketing, Khuai Man brings both creativity and strategy into his design approach further enhance his versatility as an educator and designer. Passionate about inspiring the next generation of creatives, he continues to blend academic excellence, industry experience, and community leadership in every professional endeavour.
13	Ms. Nur Irsalina Binti Badrulsham	English Lecturer	irsalina@gef2u.onmicrosoft.com	Ms. Nur Irsalina Binti Badrulsham holds a Bachelor's in Education (TESOL) with Honours from Universiti Sains Malaysia.Her major is TESOL Education while her minor is Multimedia Interactive. She has a strong foundation in language teaching methodologies, curriculum design and ESL assessment. Her academic training and teaching practicum equipped her with practical skills in lesson planning and student-centered instruction. She is passionate about creating engaging learning environments that develop student's confidence and communicative competence in English. At YES International College, Ms. Irsalina delivers engaging lectures and practical language lessons for diploma students, focusing on developing student's communication, reading, listening and writing skills. Her teaching approach emphasized on learner-centered strategies, interactive activities and real-life language use to enhance students' confidence and proficiency in English. She is committed to support student's academic growth and fostering a positive learning environment.
